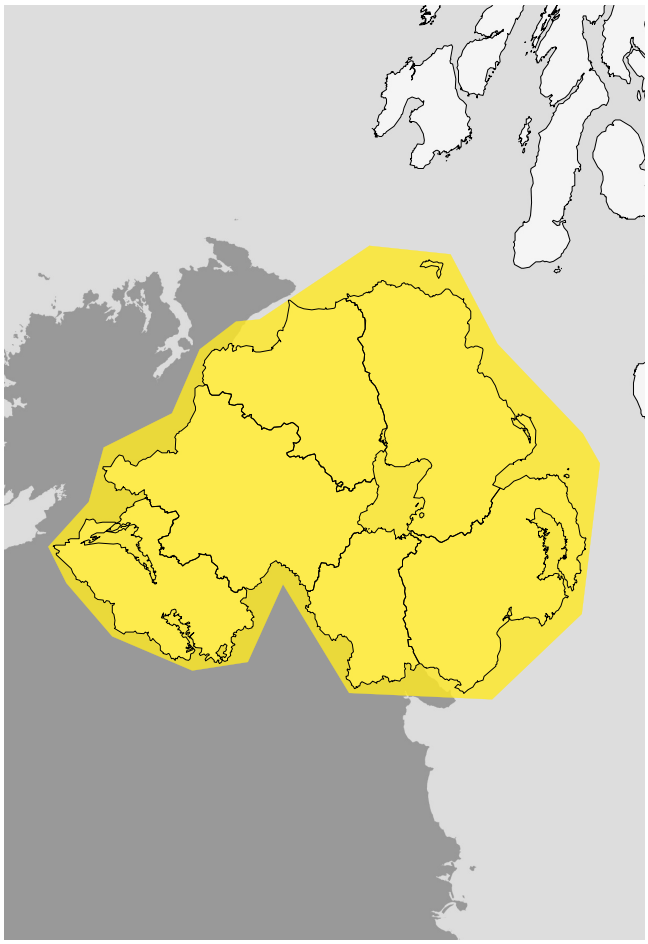
Yellow warning
Rain & Wind

Between
06:00 Tue 7 Dec 2021 and
09:00 Wed 8 Dec 2021



Strong winds and heavy rain bring a risk of some travel disruption and flooding

What to expect

- There is a small chance that some roads and bridges could close
- There is a small chance of longer journey times or cancellations as road, rail, air and ferry services are affected
- There is a slight chance of some damage to buildings, such as tiles blown from roofs
- There is a slight chance that power cuts may occur, with the potential to affect other services, such as mobile phone coverage
- There is a small chance that injuries and danger to life could occur from large waves and beach material being thrown onto sea fronts, coastal roads and properties
- There is a small chance that homes and businesses could be flooded, causing damage to some buildings
- There is a small chance of fast flowing or deep floodwater causing danger to life

Yellow warning
Rain & Wind

Between
06:00 Tue 7 Dec 2021 and
09:00 Wed 8 Dec 2021

Further details

Strong southeasterly winds will develop across Northern Ireland on Tuesday as Storm Barra moves eastwards across Ireland. Winds will gradually back easterly, peaking during Tuesday afternoon and evening before gradually easing. Gusts of 45-50 mph are expected widely, with 65-75 mph in exposed coastal locations.

Meanwhile, persistent heavy rain will arrive on Tuesday morning. This will turn more showery during the afternoon, but these showers will be frequent and heavy, lasting overnight into Wednesday morning, before easing. Accumulations of 20-30mm are expected quite widely with 40-50mm possible over higher ground. The combination of heavy rain and gale or severe gale force southeasterly winds will bring difficult driving conditions, and there may even be a short spell of snow over higher ground in the west on Tuesday morning.

Very low likelihood of medium impacts
